

Outsource Your Mobile Settlement Situations. End The Turmoil!

Doc Signers began as a single person notary closing service covering the State of Arizona but has grown strategically through professional relationships, referrals, and business development efforts. Since 1997, company growth has been consistent and has spread region by region to now include Mobile Settlement Solutions (MSSP) to Every Zip Code In America.™ We also provide service to Alaska, Canada, Guam, a Puerto Rico.

Our obsessive passion for customer service has fueled our growth and led to long-term client relationships. We recognize that your clients are our clients, and that our closers represent your organization and ours. We expect nothing less than professionalism, courtesy, and a service-oriented approach. Our goal is to exceed our clients' expectations every day, every closing assignment. We expect to earn your business and appreciate the opportunity to do so.

Doc Signers has consistently provided the most expedient turnaround times in the industry to our clients. Our industry leading - immediate electronic payment policy for completed work - assures our clients that last minute, unusual, and challenging situations will be taken care of. Our nationwide notary base looks for the opportunity to work with us knowing they will be paid promptly.
